Craighead County Quorum Court Meeting
Public Service Committee
March 9, 2015

Public Service Committee assembled after briefing by Judge Ed Hill.

Members present: Chairperson David Tennison, Richard Rogers, Fred Bowers, and Billie Sue Hoggard.

David Tennison called the meeting to order. There was discussion concerning whether or not a Human Resource employee is needed for Craighead County. Brief discussion concerning whether or not they should look at a part-time or full-time position. Also, members agreed that it might be helpful to contact other counties who currently employ an HR employee and what their duties and job description contain. No action was taken at this time.

With no other business to discuss, the Committee adjourned at approximately 7:45 p.m.

Finance Committee Meeting

March 9, 2015

Finance Committee Members present: Chairman Ken Stacks, Vice Chair Josh Longmire, and Justices Jim Bryant, Barbara Weinstock, and Garry Meadows.

Press: None

Others present: Al Haines, County Treasurer Terry McNatt, County Collector Marsha Phillips, County Clerk Kade Holliday, Circuit Clerk Candace Edwards, Assessor Hanna Towell, and other guests.

Justice Stacks called the Finance Committee Meeting to order at 7:15 PM after the full court meeting and discussed the following:

Reviewed revenue and expenditure reports for February 2015.

Justice Stacks asked each committee member if they had any particular issue they needed to bring before the committee. McNatt addressed a question from Justice Weinstock about E911 Services. Justice Stacks asked McNatt if he could provide a 12 month snapshot of various revenues for a more realistic pattern of revenues. McNatt will comply with request.

McNatt advised the committee that a bill in the Legislature will address the Game & Fish Education funding, and if approved, funding will no longer pass thru the Counties, but will be distributed through Rural Service to schools.

Justice Longmire asked about the Bono Lake Project and noted that there was a small balance in the fund. Haines advised that there is possibly one more outstanding bill that will be paid to the Project Engineer.

Justice Longmire asked the committee to revisit the local sales tax split of 60% to roads and 40% to the general fund. He would like for the local sales tax proceeds be divided on a 50/50 split between road and general fund. The committee unanimously voted to present to the full court a recommendation to change the local sales tax split to a 50/50 split between road and general funds. McNatt estimated this split would increase the general fund by approximately \$300,000 annually. A time line of May 1st is requested by the committee for implementation.

The next item of business for discussion was brought to the committee by Justice Meadows. He believes that the county has a great and very necessary need for a Human Resources person or department. This person would be vital in addressing all issues and helping all elected official in day to day operations in regards to labor laws, insurance issues, orientation issues, and a host of other valuable information. Meadow's investigation indicates that most all businesses with more than 100 employees have a full time HR staff.

Edwards asked who would an HR person answer to and she believes the Quorum Court may be the correct answer. Justice Stacks was not sure if that would be possible. Justice Meadows said an HR person would be a "right arm" for departments in solving issues before a problem is created. He believes that the county will be receiving approximately \$80,000 from the state if a bill in the legislature is passed. Assessor Towell inquired if the county would employ and full time HR person or have one on retainer. The committee felt that any HR would be a full time position. Meadows estimated that it would cost \$100,000 per year for a full time, benefits, and possible a part time assistant.

Justice Meadows made a motion, seconded by Justice Longmire to recommend that the Finance committee secure the funding for this HR position with the Public Service Committee addressing the parameters, guidelines, duties, qualifications, and other criteria related to such a position.

Justice Longmire suggested that the budget process begin early in the year regarding health insurance and other issues. Holliday suggested that the county look at setting October as the enrollment date for health insurance to avoid last minute enrollment issues. Justice Meadows suggested that the county have safety programs and other types of training in order to reduce the Modification Number related to insurance costs.

McNatt advised the committee to keep an eye on legislation pending in the legislature. Based on information, the general fund could lose \$120,000 by changing revenue from the commissary fund to the Sheriff's Communication Fund. Also, he advised that legislation is also pending to extend the time to file for local sales tax rebates from the current 6 months to 3 years. If approved, this could reduce sales tax revenue.

Justice Bryant seconded by Justice Weinstock to adjourn the meeting.
Meeting stood adjourned at 8:15PM

3. Judge Hill indicated the Bono Bridge right of way has been finalized with the paperwork being submitted to the Highway Department. This should get the bridge in their bid letting process soon. Justice Cline discussed the benefits of this project for the area.
