Steps to Completing the DASEP/DWI Class

Step One: Complete free DASEP Screening and complete treatment evaluation (If recommended after screening).

Step Two: Submit payment for class.

This information is provided at the screening.

Step Three: Schedule for class. This information is provided after payment is received.

Step Four: Attend classes and submit any final class documents.

Have questions?

Remember to Visit our Website for information or to complete your screening.

Where do I start? / How do I get screened?

How much do classes cost?

How long will it take to get my Certificate of Completion?

I took a class out of state. How do I get it converted to Arkansas?
